

Churchlists is published each month near the end of the month. Any verified information is welcomed. Call us @ 972-359-1933 write us @ 1324 Meredith Dr. Allen TX 75002 or email churchlist@sbcglobal.net. Visit our "printable" web site at churchlist.info for statistics and numerous resources or our "searchable" site at www.baptistlist.org. Your cooperation and providing information is essential. Please help each month. Most state Baptist conventions provide a "resume service" or "Leader Connection" from their web site to assist pastors churches and associations.

Unsolicited resumes are suspicious. We advise churches to discard those that arrive before a Search Committee is ready to receive them.

This has been non-profit ministry since 1986. More than 800 copies are sent by email each month and the web sites now receive more than 5000 "hits" per month. Cost for hard copies is \$9/year.
